

NYTIMES.COM

To help you attract home buyers from across the nation and around the globe, we've partnered with NYTimes.com, the website of nationally and internationally renowned news publication the *New York Times*.

NYTimes.com/RealEstate

Homes priced over \$750,000 will be shown in the Real Estate section of NYTimes.com. With more than 36 million page views, this section is among the most popular and engaging areas of the #1 newspaper website in the world. Its 1.3 million unique visitors a month are constantly looking for primary and secondary residences in key markets.

By placing your home on NYTimes.com, we are giving your home visibility and awareness to another online audience. This is just one more way the Coldwell Banker eMarketing Advantage works for you.
